Discontinued Vintage Glass Paintings & Intaglios

Visit our web site to browse our selection of vintage glass crystal paintings and reverse carved intaglio stones (pictured). Made in Czechoslovakia, these stones are miniature works of art. These vintage pieces are sold "as is." Due to the nature of these stones, please take care when attaching them, as the painted backs may be affected by different types of glue. Since these are closeouts, once they're gone, they're gone!

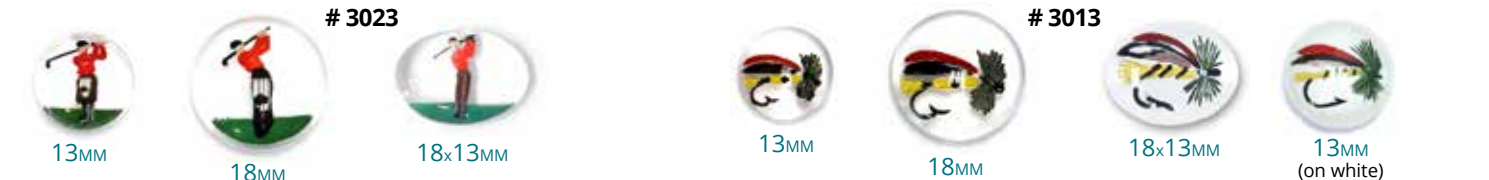

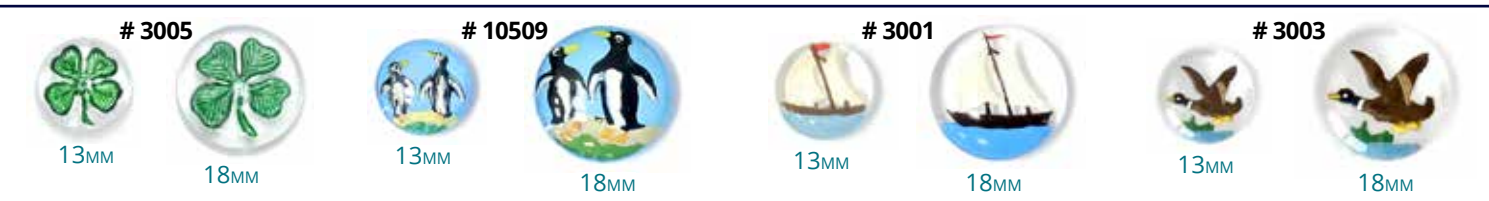

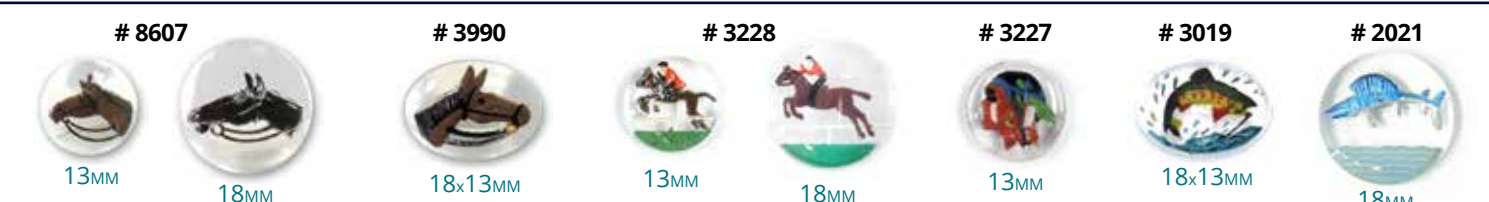

Crystal Painting with Reverse Carved Intaglio Back

Made in the Czech Republic, these reverse carved picture stones are miniature works of art. Each glass "crystal painting" is hand pressed and features a smooth, domed top. A detailed intaglio image is molded into the back of the stone, and the relief is then painted. Please take care when attaching the stones, as the painted backs may be altered by adhesive.

Decal Porcelain Paintings

Also known as porcelain paintings or cameo decal stones, each stone has a decal image applied by hand to the top surface of a smooth buff top glass cabochon base. They are then baked in a kiln to finish the process.
